Here you go!!

I am pleased to give an excellent reference for Lisa Kay and KayCondo.

We are a large building, 37 floors and 384 suites.  
We did a full refurbishment of our corridors including carpet, tile, wallpaper and paint.

Lisa and her crew did an excellent job, working cleanly and efficiently to do everything in a timely manner with the least disruption to our residents.

We decided to keep our original blond wood doors and refinish them. Lisa was determined to have the refinishing look great and went above and beyond to make this happen. We were very pleased with the result and with Lisa's persistence to ensure everything was done well.

Timely meetings were held to discuss issues as the project went on. I was pleased as a board member to be included in these meetings. The meetings kept the lines of communication open and facilitated decision making all the way through the project.

Please feel free to contact me for more detail if needed.

Thanks to Lisa for a job very well done.

Best regards
