Letter of Reference

I sit on the Board of Directors of a mid-sized, boutique condominium in west Etobicoke. In 2020, we completed a very, successful, full refurbishment including our lobby, corridors, and amenities.

It was a pleasure working with Lisa Kay on this project. Lisa was instrumental in the initial coordination of the project. She worked closely with the designer and trades to fully understand all the facets of work and presented a detailed comprehensive price breakdown for our Board. I found her attention to detail and intimate knowledge of our project to be exceptional. This gave us the confidence to know there would be no surprises.

Lisa attended our board meetings, preconstruction, and was always well prepared to answer our many questions. Professional, knowledgeable and a pleasure to work with, she was an instrumental asset to the refurbishment team.

I wouldn't hesitate to work with Lisa again.
